## THE BUYER LISTED ABOVE AGREES:

\* I Will NOT make sudden or drastic food changes as it causes stress and lowers the immune system. Should I choose to change the diet I will mix it as instructed for the first week and transition slowly taking a minimum of a week to do so. Current food being fed is: Victor Super Premium Dog Food.

\* I will NOT expose puppy to public animal places (example: pet stores, dog parks, rest areas, places people hike frequently with their dogs) until all vaccines are completed around 12 weeks old. After vaccines are completed I will socialize my puppy and expose them to new people and places as socialization is a process that must be continued throughout their lives.

\* I UNDERSTAND there are NO REFUNDS under any circumstances. I also understand I WAIVE ANY LEGAL RIGHT TO TAKE LEGAL ACTION AGAINST BREEDER for ANY REASON and all issues will be handled between breeder and I only. Should I have any problems I will contact the breeder through email.

## HEALTH GUARANTEE

This puppy has received its 6 and 8 week vaccines and to avoid disease the buyer will need to follow up on them with the next set of shots that their vet suggests. Buyer must have the

puppy seen by a licensed vet within 2 business days of pickup date and send the breeder a copy of the visit within 2 days of purchase, to be received by breeder through the U.S. Postal Service mail or health guarantee is void. Emailing a copy of a vet visit is also acceptable but it is the buyer's responsibility to make sure it was received and the breeder was able to print it out.

Should the puppy be proven to have an incurable genetic life threatening illness by 1 year of age up to the following date \_\_\_\_\_, breeder will need a written notification from 2 vets from different vet practices stating this upon diagnosis along with all testing results from both. The puppy must also be put to sleep at buyer's expense. Breeder will replace the puppy with the first available puppy of the same breed and value from the breeder's stock as soon as a puppy comes available. No refunds will be given and no further health guarantees apply. Breeder assumes no responsibility for expenses of any kind including vet or any travel fees incurred. Buyer is responsible for any travel fees for replacing the puppy.

Should the puppy die unexpectedly within the 1 year time frame a necropsy must be performed and a diagnosis of an incurable Genetic illness must be proven to be the cause of death. Copies of necropsy results and any paperwork about death must be provided to the breeder. Breeder will replace the puppy with the first available puppy of the same breed and value from the breeder's stock as soon as possible. No refunds will be given and no further health guarantees apply. Breeder assumes no responsibility for expenses of any kind including vet or any travel fees incurred. Buyer is responsible for any travel fees for the replacement puppy.

All puppies are sold as a companion/pet quality only. This does not mean that they are or are not show quality/ breeder quality. Buyer agrees to not let the puppy breed and spay or neuter this puppy by 12 months of age.

\$ 500 Total non-refundable puppy adoption fee
